

4840-1054: Media Computing in Practice (Summer 2022)

Week 10: June 22, 2022
Yusuke Matsui

Coding day!

- Write and review PRs!
- Mandatory for everyone:
 - ✓ Write **three** PRs for **different** repos
 - ✓ **Testing** by github actions (not just pip installing)
 - ✓ README
- Prepare breakout rooms. You can discuss other students
- Good news!
 - ✓ You can now use GPUs on AWS SageMaker Studio Labs
(2 * 4 hours per day = 8 hours per day)
- From next week:
 - ✓ Presentation for PRs. 10 min talk + 1 min QA. Prepare it.
