

4840-1054: Media Computing in Practice (Summer 2022)

Week 3: April 20, 2022
Yusuke Matsui

Note

- What would happen if Student X and Y chose the same paper?
 - ✓ First come, first served. If you have already decided on a paper to read, just let me know. I will assign it to you.
- See "Q&A" and "What should you do in each class?"
- Please always cite the material properly (e.g., if you use an image from the internet, write its URL)
